ADD-ON TO PICK GAMES!

HOW IT WORKS:

The optional Wild Ball add-on gives you more chances to win. Wild Ball is available with any **PICK 2, PICK 3, PICK 4** or **PICK 5** ticket. At every Day and Evening drawing, a one-digit Wild Ball number will be drawn that applies to all four PICK games for that drawing.

If the Wild Ball option is selected when a ticket is purchased, **the Wild Ball number can replace one of the drawn numbers** to help create a winning combination for your play.

The numbers on your ticket do not change. You must match the numbers on your ticket to one of the new winning combinations created by Wild Ball.

Wild Ball payouts differ from base game play. Wild Ball doubles the cost of any play type. Visit palottery.com/WildBall to learn more.

Add Wild Ball to a PICK game purchase via the PA Lottery's Official App or **palottery.com**.

Try it for fun! Text **TryWB** to **66835** to view the Wild Ball demo and learn more about how to play or visit palottery.com/WildBall to learn more.

See TEXT INFORMATION on page 37 for more details.

Note: Wild Ball sales end along with PICK sales for the Day drawing at 1:05 p.m. and for the Evening drawing at 6:57 p.m. daily. Millionaire for Life™ is a multi-state lottery game. Listed fixed prize amounts are based on the expected number of winning plays sharing in the prize pool. As the published Pennsylvania Lottery Millionaire for Life™ Rules explain, in some cases, these prizes may be paid on a pari-mutuel basis and amounts will be lower. Grand Prize-winning plays for a specific drawing will receive an equal share of the Grand Prize. Grand Prize and Second Level Prize winners have 60 days after claiming their prize to choose how to be paid. In most cases, the Grand Prize and Second Level Prizes can be paid as an annuity or as a one-time, lump-sum cash prize. The cash prize value is specified in the published Rules and is subject to change. All prize levels may be reduced if liability caps are exceeded. By purchasing a Millionaire for Life™ ticket, the purchaser agrees to abide by published Rules and the Millionaire for Life™ Official Game Rules. In the event of a discrepancy, the Millionaire for Life™ Official Game Rules shall prevail.

Note: Millionaire for Life™ ticket sales end at 10:15 p.m. each night. Drawings are after 11:15 p.m. and results can be viewed at palottery.com/MillionaireforLife.
